HOPE AND FORGIVENESS

There were some interesting conceptions of sin prevalent in the time of the Hebrew scriptures. There was the belief that God punished sin immediately. Those who suffered disease or misfortune were, therefore, sinners getting their due from the Almighty. Today's first reading hints at another kind of God. When David admits his sin, Nathan declares, "The LORD on his part has forgiven your sin" (2 Samuel 12:13b). Here was not a vengeful God but a merciful God. What good news that must have been to David and those who, like him, could be honest enough to admit their sinfulness! Jesus is the good news of God's mercy and forgiveness incarnate. Without Jesus, perhaps the good news would have been too good to believe, too difficult to imagine. But there he is in today's Gospel, the God-man, forgiving a sinner and declaring that she is forgiven because of her great love.

There is hope, then, for the rest of us sinners, if only we love enough!

An Update on the Building Project—Sometime back I had written to all the families of the parish with regard to the way the building committee has been thinking to move forward with regard to the future of the Parish. I have also written letters of gratitude to all 92 families who were generous in our effort to raise money for the building project. We are grateful to God that no one has asked for their donation back. And that was something affirming. The parish council has voted to move forward with our plans for renovating the old convent and the garage and to start making plans for the construction of the Administrative building. We are in the process of getting bids from different entities to renovate. In three weeks' time we are going to start the work of renovating the old convent and the garage. We shall give a face lift to the existing old convent and make it more feasible, able to use it with some changes. We will be fixing the ceiling, heat and air, windows and flooring to make it more suitable for the Youth and Religious Education programs. Together we will also renovate the existing garage and make it as an official storage for the parish and accommodating all the storage in to one facility. All the parish organizations will have share in it. At this time I would invite all the parish organizations to plan to vacate all the storage that you have in the old convent and store them in the space provided by the parish. We will have some temporary pods that will accommodate our need. Please contact Gerald Knecht for any questions. You will have one week's time to clear the old convent and if you think that anything needs to be thrown out as garbage there will be also a dumpster close to the old convent. At this time I invite you cooperation as we move forward in our plans.

Flowers bouquet to be placed in front of the Altar for the weekend Masses in memory of your loved ones or to express your gratitude to God. There has been a very good response from the parishioners with regard to the flower bouquet placed in front of the altar on the weekend Masses. Initially we offered for two weekends in every month. This gave an opportunity for someone to remember their loved ones who are deceased or to celebrate their birthday or any important event of their life in gratitude to God for the favors received. The cost of the flower bouquet would be \$32.81 with tax and it can be made out directly in the name of **Center of Family Love.** **Please call the parish office and reserve the dates listed below** when you would want to memorialize the flowers in memory of some one. We will be happy to publish the same in the bulletin in whoever memory or the intention the flowers are placed.
