**Financial offerings to the Holy Trinity Church and different ways of giving to the Church:**

Contributions to Holy Trinity Church General Collection/Offering are used to offset the costs associated with day-to-day operations of the parish, school and other programs. These costs include payroll, maintenance of buildings, utilities, and supplies, etc. Additionally, your contributions will benefit our sacramental preparation ministries, liturgical programs and Religious Education programs. Thank you for your investment and continued support of our parish. There are many ways to give to the Church. The most common one is our weekly offertory by which you simply place the cash or check in the offertory envelopes that are given to you and place the envelope in the offertory basket during the collection at any weekend service. Be sure your check or envelope contains your name, so that donations credit may be provided for tax purposes.

**Online giving:** Online giving allows for a specific dollar amount to be charged to a debit or credit card, with a small transaction fee subsidized by the Parish. Online giving is not only easy, it’s also safe and secure. This option helps individuals and families remain faithful in their giving even when they are out of town or unable to attend an weekend service.

Secure online payment options are now available via Holy Trinity Church website at [holymtrinityok.org](http://holymtrinityok.org). Simply click the “Donate” tab, scroll down to “Online Giving” and choose the payment option you prefer. You can choose to make a one0time payment or you can set up recurring payments. Although not required, should you choose to pay online, we would suggest that you create an account. Doing so will allow you to track payments, and eventually view your account details. You can go to the parish website and click donate link and that will lead you automatically to the link.

We ask Holy Trinity Parishioners to give prayerful consideration to fulfilling their weekly tithe by either using offertory envelopes, online giving, or Automatic Withdrawal (ACH). Thank you for your willingness to share your resources with the parish. Please call the parish office if you need any clarification.

**An Update on the Building Project**—I am happy to update you all with regard to the current status of the building project. Before I do that I would like to express my sincere gratitude to all those generous donors who have contributed to the building project and still continue to do so with their generosity. I am positive that many would come forward to give generously once you see work in progress.

Three weeks ago I have requested the Parish organizations to help us out by clearing their stuff from the convent and storing the same in the pod provided for that purpose. Every organization has generously responded by clearing and vacating in a week’s time and the response was amazing. Everyone worked well and responded generously with their time and hard work.

We have begun the renovation work on June 9th. The building committee has voted to hire **Melendez Paint & Sandblast Services Co.** to take up the renovation work. We will also use our own local companies to do the electrical, telephone, glass and plumbing works. We are looking at spending around \$150,000 towards the renovation. We are looking at two months time to complete the work.

As time goes on I would be able to give you another update. At this time I invite your cooperation as we move forward in our plans. Hope you will be happy with the renovation work and help us out to move forward by your generosity. Thank you.

**Flowers bouquet to be placed in front of the Altar for the weekend Masses in memory of your loved ones or to express your gratitude to God.** There has been a very good response from the parishioners with regard to the flower bouquet placed in front of the altar on the weekend Masses. Initially we offered for two weekends in every month. This gave an opportunity for someone to remember their loved ones who are deceased or to celebrate their birthday or any important event of their life in gratitude to God for the favors received. The cost of the flower bouquet would be \$32.81 with tax and it can be made out directly in the name of **Center of Family Love.** **Please call the parish office and reserve the dates listed below** when you would want to memorialize the flowers in memory of some one. We will be happy to publish the same in the bulletin in whoever memory or the intention the flowers are placed.
