

HTPA TIGER A beat

Welcome All Holy Trinity Parents!

Did you know that as a parent of a child attending Holy Trinity Catholic School, you are automatically a member of the Parent's Association? We love seeing new faces in our halls and that includes the parents! We have exciting events coming this year and can't wait for everyone to chip in and help out and get to know one another better. If you have never attended a Parent's Association meeting or function, now is your chance to join the fun! If you are an existing member and we haven't seen you in a while, we miss you too!

Come out and join the organization to make a difference in your child's school experience!

Clean up dates were determined for the school year as well as enrollment dates. We need volunteers to help clean up the school prior to school beginning. We also need volunteers to help with enrollment. No amount of time is too small. If everyone contributes, we can get more accomplished!

The Knights of Columbus Carnival is fast approaching. The Parent's association is in charge of manning the inflatables. The Knights donate a portion of their proceeds to the PA, so again, HELP, HELP HELP!!!!

Katie volunteered to complete the schedule for the basketball games. All the proceeds from the gate and concession go to the Parent's Association, not just the athletic groups. The PA helps provide items for ALL the students, so ALL the parents are asked to contribute their time in helping out with gate, clock, concession, and clean up. Last year, the PA netted over \$9000 from the gate and concession. YOU can make a difference!

The group also discussed the possibility of existing school families adopting a new school family. More information on this to come!

Finally, due to the renovations of the convent, many items are currently stored in the halls of the school. The PA pre-approved covering the costs of renting a storage unit if needed to move those items out of the hall.

School will be here before we know it. Let's make this year great! GO TIGERS!
